40 Day Challenge
1 Talk Per Day!

Every woman can be a gospel doctrine instructor in her home, and

Every sister in the Church needs gospel knowledge.

As a leader and teacher. If you have not already developed the habit of daily scripture study,

START NOW AND KEEP STUDYING

In order to be prepared for your responsibilities in this life and in the eternities.

Whichever way a person starts studying the scriptures, **the key to unlocking important knowledge is to keep studying.**
