

# Cinnamon Honey Butter

- 1/2 cup butter, softened
- 1/2 cup powdered sugar
- 1/2 cup honey
- 1 tsp ground cinnamon

Whip butter until it is nice and creamy, add the powdered sugar and mix it all in, then add the honey and the cinnamon. Whip it all up really good. You can store in the fridge or leave it out at room temperature. It is going to spread much easier at room temperature, but it is up to you. Serve on rolls, toast, bagels, pancakes, sweet potatoes, etc.

This recipe will fill two of the half jelly jars!
