

Christmas's Greatest Gift

"The Christmas season is a time to reflect and act upon the blessings and opportunities we have because of the birth, life, Atonement, and Resurrection of our Savior, Jesus Christ."

I think of the blessing of finding peace and hope even amid challenges and trials; the blessing of divine guidance in times of both triumph and despair; the blessing of a greater perspective and purpose, knowing and believing that there is more after this mortal experience; the blessing of gratitude even when we have less to sustain our own needs; the blessing of being comforted when we feel alone; and the blessing to be able to give even when we don't possess much.
